Executive Headteacher: Mr G Golding

Wednesday 21<sup>st</sup> February

Dear Parents & carers,

To enhance our Design and Technology topic on architectural design, we have arranged an educational visit to **LEGOLAND Windsor Resort** on **Monday 18<sup>th</sup> March 2024**. The children will have the opportunity to explore the models of cities within the park. Children will experience a fun, hands-on and engaging trip that utilises the world's finest educational play materials. Due mostly to travel costs, as well as small fee for entry, the cost of the trip is **£21 per child**.

Please note we do not require any help on the day, as we have enough adults to support the trip.

## School uniform

As the visit will take place during school hours, children must attend in school jumpers or cardigans, with appropriate comfortable trousers (no skirts or dresses) and outdoor clothing (coats/ raincoats) to suit the weather. Furthermore, as there will be lots of walking during the day, we recommend your child wears a pair of comfortable shoes such as trainers.

## Timings

The coach will be leaving school at 9:00am so please ensure you arrive promptly in the morning. We aim to arrive back at school at approximately 5:15pm, but please allow for delays due to traffic.

## Lunch

Children need to bring a packed lunch in a plastic bag that can be thrown away. Please note we will not be returning any Tupperware. Your child will also need to bring a **water bottle** for the day, which we have the opportunity to refill throughout the park. If your child normally receives free school lunch, please contact the school office by email or in person if you would like the school to provide a packed lunch. As we are returning after the end of the school day, we will provide an afternoon snack for your child.

To secure your child's place, please pay via Scopay by **Friday 10<sup>th</sup> March**. If you have any difficulties with payment, please contact the school office.

Thank you for support

Yours Sincerely,  
Miss Price, Mrs Buchan & Miss Frost

Caring

Respecting

Thriving Together

Bishopswood Federation work together to develop kind and considerate children who are resilient, reflective and motivated learners, ready for the challenges that the future holds.
